NOTICE OF PRIVACY POLICIES

I understand Digestive Health Associates of Northern Michigan, P.C.'s notice of privacy practices are available upon request and are also posted on the bulletin board in the waiting room of their office.

NO SHOW POLICY

We understand that situations arise in which you must cancel your appointment. It is therefore requested that if you must cancel your appointment you provide adequate notice. This will enable another person who is waiting for an appointment to be scheduled in that appointment slot. With cancelations made less than 24-48 hours notice, we are unable to offer that appointment slot to other people.

- Patients who fail to show for their scheduled office appointment or do not notify the office within 24 hours of their scheduled appointment time, shall be subject to a "No Show" penalty of \$50.00. In the event of an actual emergency and prior notice could not be given, consideration will be given - and an exception may be granted.
- Patients who fail to show for their scheduled procedure appointment or do not notify the office within 48 hours of their scheduled appointment time shall be subject to a "No Show" penalty of \$150.

We understand that special unavoidable circumstances may cause you to cancel within this time frame. Fees in this instance may be waived but only with management approval.

OWNERSHIP

Copper Ridge Surgery Center, LLC is a joint venture between a group of Traverse City physicians and Munson Medical Center to improve patient access to outpatient procedures in our community. The group of physicians owns the land and building which is leased to the joint venture – Copper Ridge Surgery Center.

COVID-19 Patient Instructions

To protect patients and staff and to comply with current CDC recommendations, Copper Ridge Surgery Center (CRSC) is screening our patients and visitors for COVID-19 symptoms upon entry to the facility.

Upon arrival, you will be requested to wear a new mask, provided to you by us. You will be asked to sanitize your hands and asked a series of questions about COVID-19.

- Have you had a fever?
- Shortness of breath?
- Cough and sore throat?
- Muscle or body aches?
- New loss of taste or smell?
- Congestion or runny nose?
- Nausea, vomiting, or diarrhea?
- Have you tested positive for COVID-19?
- Have you been exposed to anyone positive in the last 14 days?

It is very important that, if you develop any of the above symptoms prior to your procedure, do NOT come to your appointment until you have contacted your physician for directions.

Depending on your scheduled procedure, you may be required to complete a covid test prior to your appointment. We will contact you by telephone the day before your procedure to review this protocol with you.

VISITORS

We request that you only bring one visitor with you who is healthy and not exhibiting the above symptoms. Your visitor/family member/driver will be asked to wait in the vehicle while your procedure is being performed and will be allowed to see you in recovery if they have been through the Covid-19 screening process and are issued a visitor pass.
